Industry-led lectures will be conducted in conjunction with this event and may discuss agents and products in development. This Satellite Symposium non-CME presentation is held in conjunction with the World Congress on Gastrointestinal Cancer. The opinions and recommendations expressed do not necessarily reflect the view of HMP Education or ESMO. This program is not intended or eligible for continuing education (CME/CE) credits and does not meet guidelines governing CME/CE. By having your badge scanned, you opt in to share/receive information with/from the supporter. Please speak with a Congress Secretariat representative if you do not wish to opt in.
